Personal.

The Palace, Bangalore.

8th February 1924.

My dear Mr. Banerji,

Mr. Barton seems really anxious to help us in regard to the Subsidy Question. I think it would be an advantage to us if our reply to the Government of India communication on the subject went before he goes off on 1st March.

I shall be seeing you tomorrow orthe day after tomorrow morning when we can discuss the question.

Yours sincerely,

Sd/ Mirza M. Ismail.
